
COMMONWEALTH OF VIRGINIA

OFFICE OF THE GOVERNOR

NUMBER EIGHTY-FIVE (2009)

USE OF THE VIRGINIA WORKFORCE NETWORK FOR JOBS RESULTING FROM THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009 AND THOSE BEING RECRUITED BY VIRGINIA STATE AGENCIES

It is essential that a statewide system be used to facilitate the recruitment of jobs by state agencies and for those direct jobs that result from the American Recovery and Reinvestment Act of 2009 (ARRA). Direct jobs are those jobs which are solely funded by the ARRA or at least fifty per cent of the job is funded by ARRA project funds. Such a system facilitates the creation and identification of a ready workforce that fosters Virginia's economic prosperity in an efficient and effective manner.

The ARRA has several purposes including (1) to preserve and create jobs and promote economic recovery and (2) to assist those most impacted by the recession. Accordingly, it is incumbent on state government to connect workers to ARRA jobs and to be as efficient, effective and responsive as possible in making these connections.

Since 2006, the Commonwealth has focused resources on developing a comprehensive workforce development system including the establishment of the Virginia Workforce Network – the Commonwealth's transparent and comprehensive workforce center system designed to connect employers and jobseekers with the resources of the entire workforce investment system. Within the Virginia Workforce Network is Virginia Workforce Connection (VWC) - the official web site for employer vacancy listings.

By virtue of the authority vested in me as Governor under Article V of the Constitution of Virginia and Sections 2.2-103 and 2.2-435.7 of the Code of Virginia, and subject to my continuing and ultimate authority and responsibility to act in such matters, I hereby direct that Virginia Workforce Connection (VWC) be used by all state agencies, contractors and sub-recipients for the recruitment of direct jobs created by ARRA and for those in all state agencies, regardless of funding source. For state agency recruitment, vacancies shall be posted with the

Executive Order 85 (2009)

VWC via the State's Recruitment Management System. The jobs shall be posted at the maximum number of locations within the Virginia Workforce Network to ensure multiple access points for the ease of job seekers.

I further assign oversight to the Chief Workforce Development Officer or designated senior staff member in cooperation with the Workforce Sub Cabinet, to ensure implementation. The oversight process will be developed by the Workforce Sub Cabinet in cooperation with the Virginia Employment Commission (VEC), which is the administrative entity for the job exchange system.

Background

The Commonwealth of Virginia will receive a certain amount of funds under the ARRA. Some of these funds will be provided to non-state entities, individuals and some of these funds will be administered directly by state agencies or through state agency contractors and sub-recipients. Additionally, as a part of management and administration, state agencies engage in recruitment to fill job openings and state agency operations are supported by public funds. Executive Order Number Sixty-One (2008) charges the Workforce Sub Cabinet with ensuring Cabinet collaboration regarding workforce development as required by state and federal statute. One of the duties of the Workforce Sub Cabinet is to support the development and implementation of a seamless and integrated One Stop workforce service delivery system.

1. The VWC shall be used to post all jobs available.
